About Me

I'm Gautam Kumar, currently I'm pursuing B-Tech from Technocrates Institute of Technology, Bhopal with a strong foundation in computer science and engineering. Proficient in Java, C++, and Data Structures & Algorithms, I have applied my knowledge to successfully complete various web development projects. My expertise extends to creating project clones and solving complex programming questions on platforms like LeetCode and CodeChef. A dedicated and hardworking individual, I possess excellent problem-solving skills. Eager to contribute my skills to a dynamic team and thrive in a challenging environment, I am confident in my ability to bring value to any project.

MY Skill's & Experience

- **Web Development**
- **Java(DSA) & C++**
